Government Hospital.

Mr. Charles H. Richards, Kolar Gold Field Mining Board.

Summary of discussion.—Although the subject of opening the Government Hospital has on several occasions been brought forward, the Board note with regret that the building is still unopened and without equipment, and trust that this will not be long delayed.

Reply of Government.—Early action will be taken in this matter.

It is ascertained from the manager of the Power Supply Mill that the Hospital has not been opened pending Completion of the Staff Quarters. The Hospital building is ~~reported~~ stated to have been completed.

The representation may be approved be filed.

From

Major H. E. DRAKE BROCKMAN, I. M. S.,
Senior Surgeon and Sanitary Commissioner, with the Government of H. H. the Maharaja of Mysore,
BANGALORE.

To

C.S.Balasundaram Iyer Esqr., B.A.,
Offg.Secretary to the Govt. of H.H.the
Maharaja of Mysore Genl. & Rev.Deptts
Bangalore

Sir,

In reply to your No.7161/Med 144-07-2, dated 24th January 1908, I have the honour to state that, to a reference made to the Chief Engineer, bringing to his notice the fact that the New Hospital buildings at Robertsonpet could not possibly be taken over unless they were brought to an absolutely complete condition, which they had not attained up to the 2nd November 1907 - the date of my inspection - and till the site was put into a clear and thoroughly sanitary condition, no reply has been received up to date.

In regard to the Maternity, the Superintending Engineer, Eastern Circle, in his No.6615 dated 22nd November 1907, has informed me that as there was no provision for this work in the current year's budget, the project will be kept by for the present and that provision will be made in his Office Budget for 1908-09.

I have the honour to be,
Sir,

D 929

Med 144-07 Sl no 5

From

Lt. Col. John Smyth M.D.,I.M.S.,
Senior Surgeon with the Government
of H.H. the Maharaja of Mysore,Bangalore.

To

K.S.Chandrasekhara Iyer Esqr., B.A.,B.L.,
Secretary to the Government of H.H. the
Maharaja of Mysore, Genl.& Rev.Deptts.,
Bangalore.

Sir,

I have the honor to state that the Chief Engin--eer having reported the completion of the new Hospital & out-buildings in Robertsonpet, I visited the place on 13th instant and directed the District Medical and Sanitary Of--ficer to take possession immediately - though for some -- reasons occupation will be attended with some inconvenien--ce -

(a) Certain finishing touches are required as per -- copy of the letter of this date to Chief Engineer

(b) Temporary bath rooms are required at the Female Dispensary to make it suitable for receiving -- cases.

These requirements are however small matters and may be effected even when the patients are brought into -- the wards: the buildings have been so long in completion that I hasten to occupy them at the first possible chance even if there should be at first some inconvenience.

2. No time should be lost in converting Mr. Hajee Ismail Sait's house hospital into a Maternity - otherwise the fe--male portion of the community will seriously suffer for ~~wa~~ want of accommodation. Attention is invited to this of-

-fice

No. 571 Dated Bangalore, 4 8/3 August 1908.

From

Lt.Col.John Smyth M.D.,I.M.S.,
Senior Surgeon with the Government of H.H.
the Maharaja of Mysore, B a n g a l o r e.

To

W. McHutchin Esqr., M.I.C.E.,
Chief Engineer to the Government of
H.H. the Maharaja of Mysore, Bangalore.

Sir,

I have the honor to say that I have inspected -- the new Hospital buildings at Robertsonpet and directed -- that they should be taken over without delay; but I hope this will not interfere with the effecting of certain de--tails of finish in the buildings.

2. The tiling of the walls of the latrines is very defective and the tiles are already dropping off. Border tiles have not been used at the borders, consequently the appearence presented is unworkman-like in the extreme.

3. The hole communicating between the baths in main building and the closets are badly made so that it will be impossible to ~~take~~ rake them out without dragging off the tiles.

4. In the kitchens of the quarters for the staff - no proper arrangement is made to carry off the smoke, so that the living rooms will be suffocated and be fouled -- with smoke. Proper chimney places are required such as are built in the Victoria Hospital servant's quarters. It is an odd thing that the Public Works Department does not yet seem to have seriously studied the question of making smokeless kitchens but still constructs them on the "under the tree" principle - that is with no chimney, but aperture in the roof suggested by the sky-peeps that one may see -- sitting under a tree and looking upwards - and yet it is a matter deserving serious attention and requiring the exer-

-cise

exercise of a considerable amount of ingenuity:

5. The borrow pits in the compound should be filled in.

6. The corrugated iron sheds may be allowed to re--main as they will prove useful should a contagious case develop in the Hospital.

I have the honor to be,

Sir,

Your most obedient servant,

John Smyth

K.S. Chandrasekhara Iyer Esqr., B.A.,B.L., 8C6
Secretary to the Government of H.H. the
Maharaja of Mysore, Genl.& Rev.Deptts.,
Bangalore.

Sir,

I have the honor to report that the new Hospital at Robertsonpet was occupied on 3-8-1908, and that I ins--pected the arrangements made yesterday* . All that is -- now wanted to make hospital arrangements complete in the Fields is the conversion of the (Mr.Hajee Ismail Sait's) house to which I referred in my No.G. 100 dated 4-8-08 into a Maternity. The officials seem well satisfied with the arrangements made for their comfort and I trust they will justify their existence by making the hospital a suc--cess.
